Château Bonnet Réserve Red 2019

AOC Bordeaux, Bordeaux, France

PRESENTATION

Château Bonnet is one of Bordeaux's consistently reliable wines. Vignobles André Lurton are committed to making wines that are both fullbodied and balanced, like this Reserve cuvee, which typifies classic Bordeaux. Its faultless pedigree is revealed in its elegant balance, depth and charm.

THE VINTAGE

WEATHER CONDITIONS

2019 was marked by the virtual absence of cold weather in the winter, resulting in earlier bud-break dates in the vineyards. Spring rainfall was scant. A spell of severe drought made itself felt at the start of the summer. The rains in August saved the vines.

HARVEST

24 September - 14 October 2019

THE WINE

VARIETALS

Cabernet sauvignon 58%, Merlot 42%

ALCOHOL CONTENT

13,5 % vol.

TASTING

Deep ruby-red colour.
The nose is intense, dominated by aromas of black fruit (blackberry, blackcurrant), mingled with delicious chocolate notes.
The attack is very supple. Round and fresh on the palate. Delightful notes of black fruit accompany us throughout the tasting. This is a well-balanced, easy-drinking wine. The finish has a lovely tannic structure that melts perfectly.
