

Château de Barbe Blanche

HENRI IV

Château de Barbe Blanche Cuvée Henri IV Red 2022

AOC Lussac-Saint-Émilion, Bordeaux, France

PRESENTATION

This Château de Barbe Blanche Cuvée Henri IV is produced on a terroir ideally situated on a clay-limestone hillside in Lussac, facing the best slopes of Saint-Émilion. Merlot is king here, and regularly produces deep, classic, flavoursome wines.

THE VINTAGE

WEATHER CONDITIONS

2022 was a particularly atypical year due to extreme weather conditions. In addition to a very early frost in the spring, which affected the vineyard just as the vines were starting to bud, there was a long period of exceptional drought from May until the end of September. The result was low yields and a perfect state of health at harvest time throughout the vineyard.

HARVEST

12 September - 06 October 2022.

THE WINE

VARIETALS

Merlot 80%, Cabernet franc 20%

ALCOHOL CONTENT

14,5 % vol.

TASTING

A deep, garnet-red colour with purple highlights.

The nose is remarkably fruity, offering a delicious range of notes of black fruit (such as black cherry) and red fruit (strawberry). A few hints of ageing add a spicy touch to the wine.

The attack is full-bodied. A lovely tannic structure follows, with well-coated tannins on the finish. A pleasant freshness gives this wine good length. This is a wine with good ageing potential.

FOOD PAIRINGS

Rib of beef with Béarnaise sauce, stuffed quail, tournedos of turkey.
