THE VINTAGE

WEATHER CONDITIONS

2015 was the third warmest year since 1900... Drought conditions, above-average monthly temperatures and sunshine (in the first half of the year), cool nights and hot weather in August accompanying véraison (colour change) were all ideal for the vines!

TASTING

Brilliant, lovely, crimson colour with orange highlights. Expressive, elegant nose reminiscent of red fruit, especially cherry. Fresh and delicious on the palate. The lovely red fruit aromatics in the bouquet come through on the palate as well. The oak is restrained and the tannin is altogether elegant. The aftertaste is also quite pleasant. This wine partners excellently with veal dishes or Irish stew.
