

L de La Louvière White 2023

AOC Pessac-Léognan, Bordeaux, France

PRESENTATION

Château La Louvière's second wine, L de La Louvière, is made with the same care and attention as its older brother. This wine is immensely attractive thanks to its roundness and fruitiness. It is produced according to traditional methods with a few modern touches in a prestigious location where art reigns alongside winegrowing.

THE VINTAGE

WEATHER CONDITIONS

2023 was marked by a uniform start to vegetation: bud-break dates returned to normal, foliage developed rapidly and the bunches emerged beautifully. Heavy rainfall in the spring tarnished the start of the season somewhat, with mildew appearing in places. There was no hot summer in 2023, but relatively cool nights and warm but not excessively hot days in July and August created ideal ripening conditions for the grapes, which produced remarkable aromatic potential.
