

Noroît

Noroît Red 2020

AOC Pessac-Léognan, Bordeaux, France

PRESENTATION

Noroît is a single-varietal micro-cuvée from Château de Rochemorin. Its name is inspired by a seafaring term meaning a north-westerly wind, and echoes the estate's most north-westerly parcel. A confidential wine made from a historic Bordeaux grape variety with long Médoc roots, Petit Verdot. This terroir, rich in organic matter, provides optimal conditions for the full expression of its aromatic potential. With a fine tannic structure, fatness and freshness, it reveals notes of black fruit and cedar, which give it a lot of deliciousness. Good ageing potential. Only 1,200 bottles produced each year.

THE VINTAGE

WEATHER CONDITIONS

2020 was marked by very mild temperatures and contrasting precipitation: heavy spring rainfall was followed by an intense summer drought. The fairly mild winter led to early bud break. The summer heat gave way to cool nights in late August, ideal for ripening grapes.

"This, too, is a little smoky and meaty, but rather closer to the slightly austere and serious Coeur Perdu than the more boisterous and effervescent Tracé in style. There's a lovely note of cedar already. And, again like the Coeur Perdu, a beautifully luminous almost crystalline, limpid mid-palate charged with fresh, crunchy dark berry fruits (loganberry and raspberry above all). At first it's not as peppery as you expect, but with more air-time (as it were) assorted crushed peppercorn notes gradually reveal themselves, but never in a dominant way. We have great purity and precision here – a very direct and clear expression of the varietal. I love the subtle floral element that I was not really expecting and that linger on the finish – hibiscus perhaps. Tender, lithe, sumptuous."
