

CHÂTEAU GUIBON

Château Guibon White 2023

AOC Entre-deux-Mers, Bordeaux, France

PRESENTATION

Nestled on one of the numerous slopes in the Entre-Deux-Mers, just a short distance from the famous medieval town of Saint-Emilion, Château Guibon has a very long history. The monks at the neighbouring abbey of La Sauve Majeure are known to have made wine on clay-limestone terroir here in the 17th century. This was already much appreciated by connoisseurs. The white wines are light, aromatic and fruity.

THE VINTAGE

WEATHER CONDITIONS

2023 was marked by a uniform start to vegetation: bud-break dates returned to normal, foliage developed rapidly and the bunches emerged beautifully. Heavy rainfall in the spring tarnished the start of the season somewhat, with mildew appearing in places. There was no hot summer in 2023, but relatively cool nights and warm but not excessively hot days in July and August created ideal ripening conditions for the grapes, which produced remarkable aromatic potential.

TASTING

A lovely pale yellow colour with green and silver highlights.

The nose offers intensity and complexity. It reveals all the character of a Sauvignon picked at perfect ripeness. Hints of white nectarine, passion fruit and citrus fruit mingle delicately with a few floral notes.

From the outset, the roundness and smoothness of this wine are appreciated. A very pleasant freshness, marked by delicious citrus notes (grapefruit), accompanies us throughout the tasting, bringing elegance and balance to the whole. There's a lovely long finish. This wine is a pleasure to drink.
