PRESENTATION

Odyssée is the result of Jacques Lurton's 30 years experience as an international flying winemaker. This wine was born from the marriage of modern New World techniques with the richness of a French terroir. At a time when people are longing for escape and novelty, Odyssée takes you on a journey for the time of a tasting.

THE VINTAGE

2018 was one of the warmest years since 1900, featuring above-average temperatures, the second hottest summer to date, and abundant sunshine... Heavy rainfall in the first half of the year was followed by persistent, near-record drought conditions in September.

TASTING

Deep cherry red colour.

Very gourmet nose with notes of red and black fruits.

A full-bodied, round mouth. One really has the impression of tasting a basket of red fruits. Thanks to a nice tannic structure, this is a wine that can age a few more years.
