Château Bonnet Réserve Red 2022

AOC Bordeaux, Bordeaux, France

PRESENTATION

Château Bonnet is one of Bordeaux's consistently reliable wines. Vignobles André Lurton are committed to making wines that are both fullbodied and balanced, like this Reserve cuvee, which typifies classic Bordeaux. Its faultless pedigree is revealed in its elegant balance, depth and charm.

THE VINTAGE

WEATHER CONDITIONS

2022 was a particularly atypical year due to extreme weather conditions. In addition to a very early frost in the spring, which affected the vineyard just as the vines were starting to bud, there was a long period of exceptional drought from May until the end of September. The result was low yields and a perfect state of health at harvest time throughout the vineyard.

HARVEST

16 September - 10 October 2022

THE WINE

VARIETALS

Cabernet sauvignon 52%, Merlot 48%

TASTING

Intense, deep purple colour.
The expressive nose opens with seductive aromas of black fruits, sublimated by hints of vanilla and cocoa, offering a bouquet that is both delicious and slightly spicy.
On the palate, the soft, velvety attack leads to a generous, round mid-palate. The structure is clearly present, underpinned by silky, enveloping tannins. The range of aromas, marked by a pleasant hint of vanilla, gives the wine a delicious mouthfeel. A perfectly balanced wine, combining finesse and intensity.
