

CHATEAU BONNET

Petit Bonnet Blanc 2024

AOC Entre-deux-Mers, Bordeaux, France

PRESENTATION

Petit Bonnet White, the youngest member of the Château Bonnet family, is the ideal reference for those looking for freshness and practicality. Available in a portable 25cl format, it's easy to slip into when you're on the move, whether for a picnic, an impromptu evening or a gourmet outing. True to the house style, it's irresistibly fresh and fruity, driven by a perfectly ripe Sauvignon.

THE VINTAGE

WEATHER CONDITIONS

The weather in 2024 was extreme, with heavy rainfall, lack of sunshine and cool temperatures, making the fight against vine diseases particularly difficult. After a somewhat difficult flowering period with some coulure, a more favourable period in August allowed the grapes to change colour evenly, followed by a rapid harvest in September to preserve the quality of the grapes. This vintage marks a return to normal harvest dates.
