

Le LOUVETIER

Le Louvetier Pessac-Léognan Red 2021

AOC Pessac-Léognan, Bordeaux, France

PRESENTATION

Le Louvetier is the result of the expertise of the oenological teams of the André Lurton family, owners of several châteaux in Pessac-Léognan, including Château La Louvière. This wine is made from grapes carefully selected in our vineyards to bring out the best in our magnificent terroirs.

THE VINTAGE

WEATHER CONDITIONS

2021 was marked by very capricious weather. There was a lot of rain in the spring. An episode of frost at the beginning of April caused major damage. The summer was very mild, with no extreme heat. At the end of August, fine weather set in, with high temperatures during the day and cool nights: ideal conditions for ripening the grapes. These last few weeks were crucial to the success of this vintage.

TASTING

A brilliant cherry-red colour, with moderate intensity.

To the nose, the wine reveals delicate aromas of red fruits (cherries), mixed with a particularly pleasant vanilla note. The whole is a great success.
